

PacificMUN 2019 Liability and Media Release Waiver

PacificMUN 2019 would like to inform its participants of certain Conference Policies which conference delegates are expected to adhere to at all times. They are as follows:

1. All delegates and staff members are expected to attend all committee sessions, ceremonies and major conference events.
2. Delegates may be excused from committee sessions by their head delegate or sponsor teacher, but their committee staff must be notified prior to session, and notification must include their reason for absence.
3. Delegates are expected to be in their hotel rooms by the established curfew on Friday, February 22nd, and Saturday, February 23rd, unless involved in PacificMUN's midnight committee sessions. Curfew and committee session timings will be established in the official conference schedule.
4. PacificMUN 2019 will not be allowing co-educational rooming at any time.
5. PacificMUN expects delegates to remain courteous and considerate towards all conference participants, including but not limited to staff, sponsor teachers, Secretariat members, and other delegates.
6. All conference participants are to wear conference-issued name tags during the duration of the conference at all times. You may be asked to present your name tag in order to enter some PacificMUN events, such as opening and closing ceremonies, and the delegate social.
7. If a delegate has any outstanding medical requirements or limitations that may impact their participation in the conference, they are expected to notify their delegation's primary contact, or their committee staff, in the case of an independent delegate.
8. The destruction or damage of property will not be tolerated, and responsibility for all cases of vandalism will be assumed by the conference participant who performed it. "Property" includes, but is not limited to all conference venue, and any property held by the conference.
9. All conference participants will adhere to any set of rules or restrictions established by the conference venue: the Pinnacle Harbourfront Vancouver Hotel.
10. PacificMUN's code of conduct asserts that any and all actions, objects, and substances that are illegal, or illegal in the presence of minors by the municipal, provincial or federal government shall not be tolerated at PacificMUN, and would be grounds for immediate ejection from the conference.
11. If a minor is found to be in violation of the above guidelines, their legal parent/guardian will be notified immediately, and will be required to retrieve their child from the conference premises. The offending minor will not be allowed to return to the conference for the remainder of this year's iteration.
12. If a decision is required to determine whether a delegate, staff, or conference participant is eligible to stay at the conference after any guideline has been violated, the decision will arrive after consultation between the Secretariat and acting Director of the Board. Each decision will be made on a case by case basis, and the decision from the acting Director of the Board is considered final.
